House Check Services
P. O. Box 248
Lower Lake, CA 95453

Dear Byron:

Thanks again for all your time, effort and help with my new home. Please feel free to use the following recommendation how you see fit.

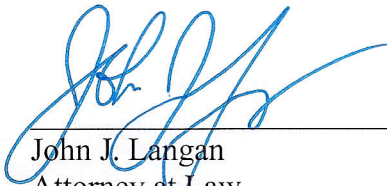

To Whom It May Concern:

I would very much like to recommend Mr. Byron Duerksen and House Check Services to anyone in need of a home inspection. Mr. Duerksen is passionate about his work, and his inspections and reports are unquestionably honest, completely thorough, straight-forward and accurate.

I recently purchased a home that had been foreclosed, and the seller—a disinterested bank in the Midwest—was initially unwilling to adequately address certain issues that were discovered in Mr. Duerksen's inspection. Mr. Duerksen spent several hours at the property, returning numerous times, to get the seller's agent on board and to help close the deal.

I am extremely happy with Mr. Duerksen's efforts on my behalf. In today's marketplace, it is refreshing and comforting to have a knowledgeable, dedicated professional in your corner. I would recommend Mr. Byron Duerksen and House Check Services to anyone interested in obtaining a home inspection.

Sincerely,

John J. Langan
